

About us

INFOCUS Glass & Aluminum Works Co. has been UAE's leading glass and mirror company. Family owned and operated, we have built our reputation on delivering superior quality, expert craftsmanship, and outstanding values.

OUR VISION

Our vision is to become the most recognized, full-service glass facility in the Middle East. We aim at achieving this by leveraging on our experience and goodwill whilst adding value to our shareholders, stakeholders and clients.

OUR MISSION

Our mission is to deliver premium quality products and exceptional service to all our clients. We target this by following a set of strict guidelines and the core direction administered to us by our stakeholders.

PLANNING

Whether you're embarking on a re-modeling project or building a new home, INFOCUS Glass has the tools to help you with your new design. Product knowledge experts are on site to assist with every aspect from planning and design to final selection and installation. We invite you to get a feel for what you want and then take advantage of our shop-at-home service.

IN-HOUSE FABRICATION

Once your designs are finalized, our expert craftsmen utilize old world glass cutting skills with the best polishing methods to create products that are second to none. This talent combined with our state of the art fabrication plant, modern beveling machinery, and huge buying power allows us to provide the best product at the most competitive price.

INSTALLATION

But our service does not end there. Once your mirrors, doors, or enclosures are made, our experienced installation team takes over. Most of these craftsmen have been with INFOCUS Glass since the day we started over.

OFFICE PARTITIONS

INFOCUS Glass in UAE combines simplicity with flexibility making moving the wall configuration an easy task. The minimally seamed glass front solution offers elegant frameless glass sliding doors as well as framed aluminum or wood doors in UAE. INFOCUS Glass can be combined with our most comprehensive and wall partition Series. Combining both office wall systems can deliver the most scalable front and side wall solution on the market today.

HOME PARTITIONS

Partition wall design is one of modern interior design trends in UAE, especially for separating bedrooms, bathrooms, kitchens and home offices from living areas. Glass wall design ideas are among the most popular room dividers and partition walls in UAE. INFOCUS Glass shares a collection of modern interior design ideas for dividing bedrooms from bathrooms in elegant and contemporary style.
